### **Woman Voice Over**

There they go again.

The politicians in Columbus are scheming to get rid of their term limits. Term limits that we the people voted on.

Sixty-eight percent of Ohioans supported term limits on the career politicians in Columbus, but now some insiders want to change that.

Ohioans from all across our state support term limits.

We don't need some politicians in Columbus overriding the will of the people.

Your voice is crucial to tell the smoke filled back rooms that we don't need more career politicians.

The politicians can only succeed if we the people don't get involved.

Let's tell the Columbus politicians on both sides of the aisle that enough is enough.
