

COLORADO TERM LIMITS POLL: EXECUTIVE SUMMARY

US Term Limits survey conducted Jan 15-19, 2026 by RMG Research Group
 510 Registered Voters in Colorado participated in the survey

A large majority (74%) of Colorado voters approve of placing term limits on Congress.

76% of voters favor having Colorado call for an amendment proposing convention to enact congressional term limits. Additionally, 73% of voters state that they would be more likely to vote for a candidate for state legislature who supports implementing term limits for members of Congress.

Do you approve or disapprove of placing term limits on members of Congress?

Total		Gender		Age					Race		Party		
		Men	Wom	18-34	35-44	45-54	55-64	65+	White	Other	GOP	Dem	Ind

Methodology

The survey of 510 registered Colorado voters was conducted for USTL on January 15-19, 2026. Field work for the survey was conducted by RMG Research, Inc. Certain quotas were applied, and the sample was lightly weighted by gender, age, and race.

The margin of sampling error for the full sample is +/- 4.3 percentage points.
